

Swimsol is an Austrian Scale-Up that developed the world's first marine floating solar system. We provide tropical island regions with solar energy, often in combination with large battery storage systems. To support our growing sales and business development team, we are looking for a:

Scuba Diver (f/m/d)

What you'll do

- Conduct up to three work dives per day as part of our SolarSea installation and maintenance team
- Use underwater power tools (e.g., battery drill, hammer drill) for assembling and securing system components
- Support SolarSea installations and assembly work on land
- Handle unloading, offloading, and safe transport of solar system components and tools.
- Assist with the maintenance of mooring systems and troubleshooting operational PV systems.
- Provide regular updates and reports to on-site and remote management
- Travel across the Maldives for project deployments and operational tasks
- Maintain excellent relationships with clients and contribute to smooth on-site operations

What you bring

- Advanced Open Water Diver certification (or equivalent) with a minimum of 50 logged dives
- Maldivian nationality or a valid Maldivian work permit
- Physical ability and motivation for regular work dives
- Willingness to travel frequently and work away from home base
- Strong communication skills, reliability, and a respectful attitude toward colleagues and clients
- Enthusiasm for hands-on teamwork in a challenging marine environment

What we offer

- A negotiable salary aligned with your experience and qualifications
- Food and accommodation provided when working away from home base
- Compliance with Maldives Labour Law, including holidays and relevant provisions
- Opportunities to grow your skills in solar installations, marine engineering, electrical work, and site operations
- Being part of a dynamic, international, and mission-driven team working on cutting-edge renewable energy solutions

Interested?

Send us your:

- Up-to-date resumé
- Clear copy of National ID card, front and back
- Educational certificates, SCUBA diving certificates
- Police clearance
- Recent passport-size photo
- Brief motivation letter,
